TODAY a collection for Apostleship of the Sea. Sea Sunday, when the Church prays for all those who live and work at sea. Without them we would not have most of the items we buy in the shops. AoS is the Church's official maritime welfare agency. It supports seafarers both practically and spiritually. This annual collection is absolutely vital to enable it to continue its work, so please give as generously as you can. Thank you. www.apostleshipofthesea.org.uk

We are now approaching the "sharp end" of our **Exploring the Way** phase of the Forward Together in Hope programme.

I guess we're all aware of the facts and figures and the need to imagine something different for our diocese in the future. Between now and Advent—27th November—we're all invited to explore in our parishes and with our neighbouring parish communities what it would mean to begin to work more closely 'in partnership' with others, and what kind of leadership we need to ensure viable and flourishing communities.

The leaflet given out last week gives a brief description of what is being made available for every parish community, and what **every individual can do to help.**

At the end of the leaflet there is a 'tear off' slip which parishioners are invited to use. It is an invitation to pray about, think about and then note down which parishes they can imagine being 'in partnership' with in the future. It is to encourage every parishioner to imagine something different and help alert everyone in the diocese to the discussions that will take place about 'Partnership and Leadership' later in the year. Pens are available on the seats if you are able to complete them today or **PLEASE RETURN** to a box on the table as soon as possible. These replies are for local discussion, they may well be very useful to our parish as a whole later in the year.

Rev Fr J. O'Keefe

As Eddy said last week, the results of our questionnaires that we submitted are available. There is a copy for everyone and some spare. Please take one to a neighbour if they can't get to church.

We urge you please, to support us by reading the document and we will have a meeting after the holidays to discuss it, and also by completing this form as part of the Diocesan process. (extra copies on the table)
