The Cycle of Prayer (Summer Time) we are asked to pray for ; A Deeper Understanding between Christians and Jews; Those who suffer Persecution, Oppression and Denial of Human Rights; Europe; Human Life; Seafarers.

As we enter the last few weeks of the School Year, we remember our dedicated staff and all who are involved in any way helping our children go forward in life. To those who await exam results and to those changing schools and colleges we pray that you enjoy new beginnings in whatever you choose to do.

We are now approaching the “sharp end” of our **Exploring the Way** phase of the Forward Together in Hope programme.

I guess we're all aware of the facts and figures and the need to imagine something different for our diocese in the future. Between now and Advent—27th November—we're all invited to explore in our parishes and with our neighbouring parish communities what it would mean to begin to work more closely 'in partnership' with others, and what kind of leadership we need to ensure viable and flourishing communities.

The attached leaflet gives a brief description of what is being made available for every parish community, and what **every individual can do to help.**

At the end of the leaflet there is a 'tear off' slip which parishioners are invited to use. It is an invitation to pray about, think about and then note down which parishes they can imagine being 'in partnership' with in the future. It is to encourage every parishioner to imagine something different and help alert everyone in the diocese to the discussions that will take place about 'Partnership and Leadership' later in the year. Pens are available on the seats if you are able to complete them today or PLEASE RETURN to a box on the table as soon as possible. These replies are for local discussion, they may well be very useful to our parish as a whole later in the year.
