**PARTNERSHIP DEVELOPMENT GROUP**

The first meeting took place a few weeks ago. This was an opportunity to share hopes for the future and develop understanding of our remit. The purpose of this group is to;

Coordinate and support effective Partnership Arrangements

Develop an initial action plan

Communicate the Partnership's work across the area.

It is our role to guide the parishes through the changes needed to build a vibrant, relevant, witnessing Catholic Community in our area. It is about **PREPARING** rather than **REPAIRING**.

There is an informal meeting for all who have been involved in the FTiH process, and those who would like to be involved in the next , important stage. As there will be a shared table, we need to know numbers so can you please put your name on the list available.
