PARTNERSHIP MEETING

Six people from St William's joined people from all the other parishes in the Partnership during the week. It was a chance to get to know each other and share experiences. We have been given 2 years to work out our plans . We will need a central body to look after all aspects of working together so there are key areas we need to look at and we hope people with their talents will be a part of it. More information to follow. Anne Tim Rochester is our representative for the Partnership.
