Update on the Church; Hopefully you like the look of our
church after the painting. The electricians have been in
this week replacing lights so you may find a difference to-
day. The church has had to be taken apart each Sunday
and put back again for the following Sunday .
A lot of unseen work has gone on recently and we can't
thank the people enough for their time and hard work.

HCPT NORTH EAST have 12 Groups .

We are part of a registered charity offering holiday to
Lourdes for disabled and disadvantaged people within the
UK and abroad. Our aim is to enable those who may need
help, especially the young, to experience pilgrimage, and
we do that in small caring groups, seeking to share with
joy, the gift of God's love. Please see hcpt.org.uk for more
information.

THIS year we would like to buy all children travelling
with our region, a gift that they can keep as a reminder of
their special holiday. Teddy bears would be given to all
our young people before we travel, and would be brought
with them during the week away. They can be a
companion on the plane, a comfort at night, or a memento
of the fun-filled week they have had.

As well as individual bears, the region would like to buy
each family group, a Care Bear. This will be something
groups can use to share stories, thoughts, and be there to
hold and hug whenever someone needs it.

If this is something you may be interested in, or if you
know any organisations who would like to help please
contact us via northeast@hcpt.org.uk
