The Little Sisters of the Poor at St Joseph's Home in Newcastle are finding the current economic climate increasingly more difficult. The emergency lockdown measures we have had to implement to aid efforts to fight the COVID-19 pandemic and keep our residents safe have had a massive impact on our fundraising activities and the charitable donations we rely on to meet the ever increasing daily running costs of the Home. We are appealing for urgent donations to help us continue with our work of caring for the Elderly. In these uncertain times, small acts of kindness can make a huge difference in helping our Home. Thank you for your continued support and prayers. We are extremely grateful to you for the kindness shown to us.

WE ARE STILL ASKED TO FOLLOW SOME RULES

COVID Symptoms; people showing any should stay at home.
VACCINATIONS; are the best way to control the spread of Covid. We can show that we care for each other by getting vaccinated and attending for the booster dose when available.

VENTILATION; it is still important to ventilate our buildings. This has the effect of diluting and dispersing viral particles.

HAND SANITISER; should still be available for People as they enter and leave the building.

FACE COVERINGS; those who wish to wear a face covering may do so during the celebration of Mass.

The same would also apply to those attending our halls and meeting places.

SOCIAL DISTANCING; there is no requirement for Social distancing but we should continue to be sensitive to the wishes of other people.

CONGREGATIONAL SINGING; indoor singing can continue to take place with a general encouragement that face coverings are worn.

It is important that we continue to be mindful of our Local prevailing conditions in terms of viral infection and transmission and local adaptations should be put in place.
