**VACCINATIONS;** are the best way to control the spread of Covid. We can show that we care for each other by getting vaccinated and attending for the booster dose when available.  
**VENTILATION;** it is still important to ventilate our buildings. This has the effect of diluting and dispersing viral particles.

**HAND SANITISER;** should still be available for People as they enter and leave the building.

**FACE COVERINGS;** those who wish to wear a face covering may do so during the celebration of Mass . The same would also apply to those attending our halls and meeting places.

**SOCIAL DISTANCING;** there is no requirement for Social distancing but we should continue to be sensitive to the wishes of other people.

*It is important that we continue to be mindful of our Local prevailing conditions in terms of viral infection and transmission and local adaptations should be put in place.*

#### *Our Children's Liturgy has resumed.*

*For children of nursery/school age up to Communion age who will be happy to stay and work with the Leaders.*

#### **CHRISTMAS FAYRE SATURDAY NOVEMBER 26th 2022**

**We would love to have another Fayre, but it means we need lots of helpers;**

1. To get the Hall and back of church ready before the day. Probably the Sunday before.
2. To operate an existing stall - or one of your own..
3. To clear away after the Fayre and put the Church and Hall back to normal for the Sunday Mass.

If you are willing to offer your help please see Margaret Lye to give us an idea of how many people we might have around.
