ADVENT is the season of hope when we look forward to the celebration of the Incarnation. By becoming a human being, the Son of God united himself with every member of the human race without exception thus opening up new perspectives. Education helps to bring these perspectives to fruition.

Teaching is always an area of promise and hope. The teacher does not have much, if any control over the choice of students, but usually notes some who are promising and hopes that they will make good use of what they learn.

Please remember in your prayers, all our priests and religious of our Diocese and parishioners who are struggling with health problems, especially Marnie Smith, Philip & Betty Magurn, Tommy Holland, Florence Gibson, Frank McDermott, (brother of Maureen Thompson), Tracey Warburton, and all who are suffering in the world at the moment. We remember those who look after them in hospital, care homes and at home, and we pray that those who are recovering from ill health continue to improve.
